REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

Claims 14-31 are allowable in light of the applicant's amendment and arguments. The closest prior art in the record are Yanagawa *et al.*, (US patent No. 6,228,994 B1, filed on November 13, 1998) and Schatz *et al.*, (US Patent No., 5,723,584, published on March 3, 1998). These prior art do not teach to step (b) of claim 14 (see pages 5 and 6 of applicant's remarks filed on May 5, 2003). These prior art either alone or in combination with the other art in the record does not teach or reasonably suggest a method for C-terminal protein tagging which comprises all of the limitations recited in claim 14.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

2. Papers related to this application may be submitted to Group 1600 by facsimile transmission. Papers should be faxed to Group 1600 via the PTO Fax Center located in Crystal Mall 1.
